

Methyl Tin Mercaptide CAS26636-01-1 Coordinated Thiol Methyltin

Overview:

Product Name: Coordination type methyl tin thiol 57583-35-4

Product designation: TM-19

Product English name: Coordinated Thiol Methyltin/Methyl Tin Mercaptide

CAS Number: 26636-01-1

Alias: coordination tin methyl mercaptan

Molecular formula: C₂₂H₄₄O₄S₂Sn

EINECS number: None

Content: 99

Specification: Intermediate

Model: Intermediate

Appearance: light yellow transparent liquid

Heavy metals: 10

Basic Information:

English name: Coordinated Thiol Methyltin/Methyl Tin Mercaptide

CAS number: 26636-01-1/1208990-22-0/57583-35-4

Molecular formula: C₂₂H₄₄O₄S₂Sn

use:

Light yellow transparent liquid, soluble in acetone and benzene, insoluble in water

This product is a PVC additive with excellent lubricity, transparency and weather resistance. Good resistance to sulfide pollution. It is used as the main stabilizer in PVC transparent products and is one of the commonly used heat stabilizers. Also used as catalyst for polyurethane foam synthesis, curing agent for silicone rubber, etc.

Storage and transportation:

Should be sealed and stored in a dry, cool and ventilated warehouse

package:

200KG/drum Storage: It is recommended to store in a dry and cool area with proper ventilation. After the original packaging, please fasten the packaging cover as soon as possible to prevent the water and other substances from mixing into the product and affecting its performance. Store in a cool, dry place, keep the container sealed and avoid contact with oxides. Do not breathe dust, avoid skin and mucous membrane contact. Smoking, eating and drinking are prohibited in the workplace. After work, shower and change clothes. Store contaminated clothing separately and wash it before reuse. Maintain good hygiene habits.

FAQ

Q1: May I get one sample before placing order?

Re: Yes, Sample are available. For normal products, samples are for free and you just need to bear the freight; For those high value products, you just need to freight and certain product cost. When we both cooperate for some times or when you are our VIP customer, free sample will be offered when you need.

Q2: Which payment is available for your company?

Re: T/T, L/C ,You can choose the one which is convenient for you.

Q3: How and when can I get my goods after payment?

Re: For small quantity products, they will be delivered to you by international courier(DHL, FedEx, TNT etc.)

or by air. Usually it will cost 3-5days that you can get the goods after delivery.For large quantity products,

shipping by sea is worthwhile. It will cost days to weeks to come to your destination port, which depends on where the port is.

Q4: Is there any possibility to use my appointed label or package?

Re: Yes. If needed, we'd like to use label or package according to your requirement.

Q5: How can you guarantee the goods you offer are qualified?

Re: We always believe honesty and responsibility are the basis of one company, so whatever products we provide for you are all qualified.
